

# THE CHALLENGE PROGRAM, INC.

## *A Program for ALL Students*

*The Challenge Program, Inc. mission is to build sustainable Business/Education partnerships while introducing students to careers in their communities.*

*This partnership contributes to workforce and economic development by motivating students to develop the habits required to succeed in school and in their future careers.*

The Challenge Program, Inc. is a Program for All Students, *regardless of a student's previous academic performance.* The Challenge Program, Inc. *challenges all students* to compete for an award to increase their success in and out of the classroom and become quality employees for businesses in their communities.

- Our Presentations connect The Challenge Program's five award categories with workplace values and success.
- Our Financial Award Incentives demonstrate a real-world motivational application; monetary reward for a job well-done.

### The Challenge Program, Inc. Award Categories:

ATTENDANCE    STEM    COMMUNITY SERVICE    ACADEMIC IMPROVEMENT    ACADEMIC EXCELLENCE

- ★ Our awards are available to **all** students regardless of their past academic or behavior history in order to encourage a fresh start and a successful future.
- ★ The Challenge Program, Inc. connects real business leaders directly to students to introduce them to a variety of career options within their own communities and the paths to education and/or training to enter these careers.
- ★ Awards are presented to 5 seniors, 5 juniors and 5 sophomores each year their school participates in our Program.
- ★ Each award is worth \$200.

★ For more information on the below list, please visit: [www.tcpinc.org/students/](http://www.tcpinc.org/students/)

- Criteria for and selection of award winners in each category
- 2018-2019 Program and Awards Guide
- 2018-2019 Community Service forms
- Lists of Business sponsors and partners

Information on the 2019 Student of the Year competition where three finalists will each win \$1,000, presented to them at the Heinz History Center in Pittsburgh.
